SEAQUAL INITIATIVE

TOGETHER FOR A CLEAN OCEAN

Create with Purpose. Clean the Ocean.

Enhance your designs by actively participating in ocean cleanup efforts with **SEAQUAL INITIATIVE** solutions. **SEAQUAL INITIATIVE** was born as a unique collaborative community which fights against the plastic pollution threatening our oceans and nature. Our solution is based on the transformation of marine litter into:

MARINE LITTER

SEAQUAL MARINE PLASTIC

SEAQUAL MARINE POLYMER

SEAQUAL YARN

Plastic pollution accounts for over 80% of ocean waste, degrading into microplastics that harm marine life and enter the food chain. **SEAQUAL INITIATIVE** is a unique community tackling this crisis by transforming marine waste into **SEAQUAL YARN** and **SEAQUAL FIBER** — high-quality recycled polyester used in a wide range of products.

In merchandising, where there is a growing demand for sustainable and versatile materials, **SEAQUAL SOLUTIONS** have been applied to a wide range of products: towels, t-shirts, caps, bags, roll-ups, aprons, kitchen cloths, lanyards, and much more.

By choosing to create products with **SEAQUAL YARN** and **SEAQUAL FIBER**, you're actively helping to clean our ocean.

Discover the range of products made by the members of the **SEAQUAL COMMUNITY** using our solutions, and if you'd like to get in touch with them, just reach out to us at info@seaqual.com.

What make us different?

SEAQUAL INITIATIVE

TOGETHER FOR A CLEAN OCEAN

OTHERS

European established operations

Blockchain **digital Passport**

Innovative **ESG Product**

Powerful ocean & **community** story

Full digital and physical **marketing materials**

Unique, verticalized R+D capabilities

Asian supply chain

Lack of transparency

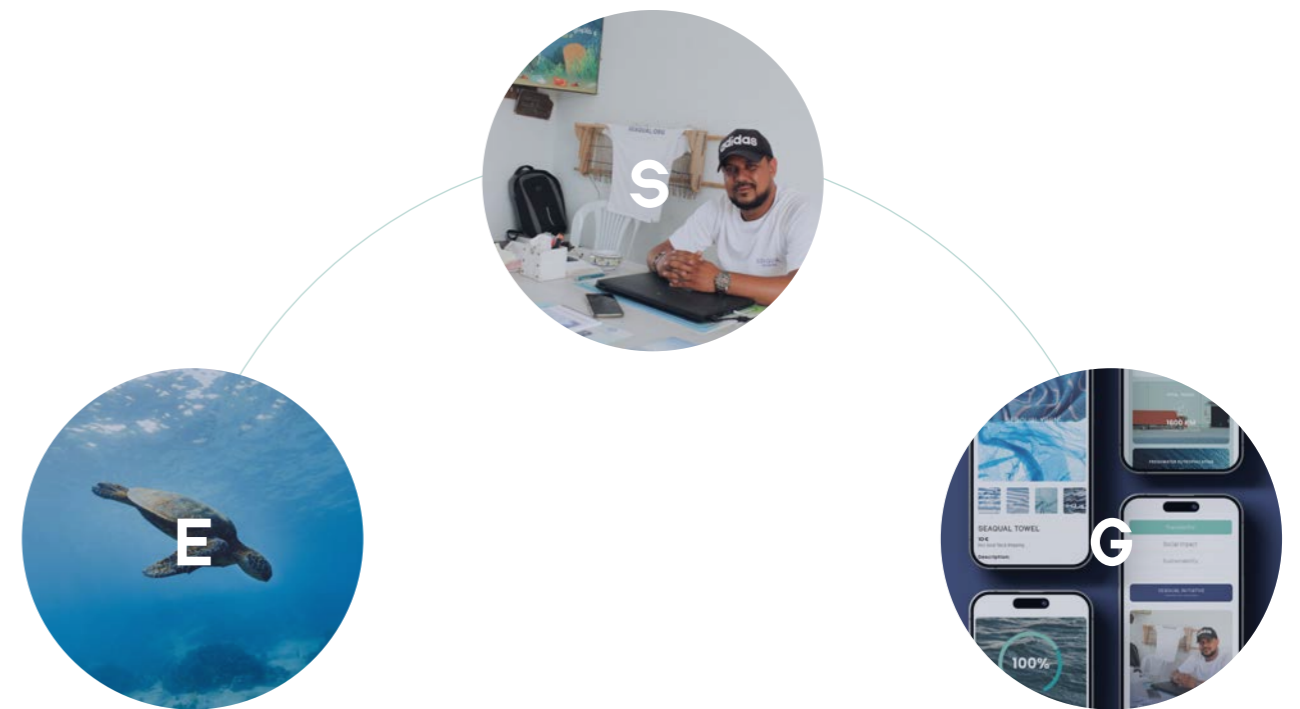

No sustainable product offer

Lack of storytelling

No marketing support

Difficulties to create new Product

OUR COMMITMENT TO **ESG** IS AT THE HEART OF EVERYTHING WE DO

ENVIRONMENTAL

Our transformation process reduces: 37% CO2 emissions 34% 40% water consumption energy use.

SOCIAL

Empowering communities with better incomes and safer working conditions.

GOVERNANCE

Our Chain of Custody ensures full traceability, tracking litter upcycled, CO2 reduction, water savings, and social impact—driving transparency and change.
